

MAY 2026

Welcome to the AOS Corner, the monthly newsletter for Representatives, Presidents, and Newsletter Editors. May flowers abound and the Shows and Festivals continue as we get ready for Summer! May features a mix of international, cultural and religious observances, with specific focus on health awareness, heritage and family. Major events like May Day, Cinco de Mayo, Mother's Day, International Nurses Day and Memorial Day are just some of the many events/observances that make May special.

MESSAGE FROM THE AFFILIATED SOCIETIES COMMITTEE CHAIR

This month is extra special for me because it's my birthday month! It is also the time that the new AOS Board gets started... hard at work continuing the momentum that has kept the American Orchid Society an internationally recognized non-profit for over 100 years! In the following pages you'll see our new President, Alison Gallaway, message and a list of the Board Members so you can reach out and say Hello. If you want to get involved with the ASC, kindly send me an email at arod@aos.org. Thank you again for your love of orchids and support of the AOS!!

MESSAGE FROM THE AMERICAN ORCHID SOCIETY PRESIDENT

Hello. As you may know I was just elected President at the Member Conference in Apopka in April during the Town Hall. Each AOS member is sent an electronic ballot via their email address on file with the office. If you attend the Town Hall in person, you can also cast your vote in person as at least 7 or 8 members did. There is an annual election. This time we only elected trustees, next year we will elect trustees and officers.

One of the things I am trying to do as President is attend meetings of affiliated societies and judging centers. I want to hear from You... the things that the AOS is doing that helps your societies and what we could do better.

My first venture is to Hilo, Hawaii. I am attending both an affiliated society meeting and a judging center monthly judging. It will be my first trip to Hawaii and I am very excited. I hope to have pictures for next month's President message for the Affiliated Societies. I plan on highlighting visited societies and judging centers in my monthly President's message in Orchids, so if I come see your society will you be at the meeting?

If it were not for the affiliated societies support of both their respective judging centers (who provide judges for their shows) and the AOS by paying your show fee and for the AOS trophy for your exhibit show, there would be many fewer judging centers, judges, and shows. Your support grows our judging centers and the AOS. We depend on your support to keep our judging system strong.

I look forward to meeting as many of you as I possibly can. Good growing and best of luck with your local society events. You may reach me at President@AOS.org or alisong@aos.org
